

Nova Scotia Executive Workshop

A workshop was held at St. Joseph's Retreat Center in Mabou, Nova Scotia on October 28 and 29, 2016. The title of the workshop was "Linking Us Together" The Provincial Executive attended along with the Antigonish Diocese Executive as well the Executive from the Halifax-Yarmouth Diocese.

Presentations were made on the new online reporting process, and the elections process.

Provincial Officers and Standing Committee Chairs spent time with their counterparts discussing goals for the next 2 years and how best to serve the membership.

The Spiritual programs were very meaningful and served to link us together. We all left with renewed enthusiasm and a clear picture of our goals for the future.
