

Message from the President

Thank you for having the confidence to put me in this esteemed position as Antigonish Diocesan President. I hope I can live up to the foundation set by our former presidents. Special thanks to the women who have stepped up to serve on the diocesan council.

Like in previous elections, appointments to the diocesan council were necessary. Just as the last two years, has lead us to do things in a different way, we continue to comprise and make adjustments. We have embraced the proposed national amendments, and initiated the 8-person executive council. This has been slowly happening across the country, in parish councils, other dioceses and even another province, so we are not alone. I truly believe this is a positive change, as we focus on being *Catholic and Living It*.

Fall Conference will be held in Heatherton, on Oct 15, 2022.
