

Summer greetings!

With the official arrival of Summer, there is always a lot of excitement, planning and events!

That being said, I have a challenge to every CWL council in our Diocese!

During my two-year term as your President, I would like to get as many invitations, as possible (hint hint), to **“Come Care with You”**. I’ve had the pleasure of attending two special events, the 1st invite was from St Patrick’s CWL, Northeast Margaree, and the 2nd from St Joseph’s CWL, North Sydney. Just 38 more to go, and lots of available spots on my calendar, no pressure!!

It is safe to say another faith filled, productive, life changing and successful CWL year is in the books! Most councils, if not all, “take a break” during the summer months. Summer is a time to relax, unwind, and recharge!! Summer is also a time to reflect on the past year, and give some thought to the upcoming year.

The Antigonish Diocesan executive gathered on Saturday June 15th 2019, for our first official meeting. We were blessed with lots of positive comments and encouragement, a few prayers and a Father’s Day reflection, some paperwork and assignments, some guidelines and job duties and of course, a delicious lunch! This meeting has confirmed my belief, that the wonderful people, who said yes, are the perfect team to surround and support me and each other!!

Please know, that I will remember the promise made, by me, following Mass and the installation of officers, on Sunday April 28th, 2019.

- ✚ “I promise to be honest, work hard & help others”
- ✚ “I also promise to be open and willing to listen”
- ✚ “Accountability, Respect, Teamwork” are the values that guide me at home, at work and as a CWL member. These values provide a solid foundation, which can be built on and developed.

My sincere thanks to everyone who is a member, and especially to those of you who are doing what you can, when you can!! Your involvement is welcome at anytime!! There is room for everyone!!

Let’s all invite, all women, 16 and over, to considering joining CWL and **“Come Care With Us”**

Care for our

Common Home

Please remember the Antigonish Diocesan CWL Executive in your daily prayers

Love & blessing, Janice MacDougall, Antigonish CWL Diocesan President **email: auntie273@gmail.com**
