SUBJECT: Treasurer Annual Report
MEMO: # 4 (2024-2026)
CC: Parish Council Presidents, Diocesan Officers, Life Members, Provincial Secretary (for distribution to provincial counterpart)

Dear Sisters in the League:

As Treasurer at the Diocesan level, I have been asked by my National Counterpart to encourage all Treasurers at the parish level to complete the Treasurer's Annual Report. The report can be located on the national website (Forms #520, #520F). Our national officers require our reports so they can do their reports.

I have spoken before of the key resources and forms found on the national website. As a result of a recent change, in order to access the Resource menu, you need to log in to the site. The log in process requires you to enter your membership number.

I encourage all to access and utilize the myriad of resources on this site.

God Bless.

Your sister in the League,

M Louise Campbell
Diocesan Treasurer
